

# Biography of Suresh V. Shenoy

---

**Executive Vice President, Sales and Marketing**

Suresh V. Shenoy is Executive Vice President at Information Management Consultants, Inc., a Virginia based consulting and technology company.

He currently serves as Chairman of the National Capital region American Red Cross and on the boards of The Kevric Company, IMC Global Services, The Fairfax County Information Technology Advisory Committee, The Capital IIT Alumni Association and the Fairfax County Chamber of Commerce. He was the Program Committee Chairman of the PanIIT Global Conference held in Washington, DC attended by more than 2,300 people. Prior to joining IMC, Mr. Shenoy was a partner at Maridyne International, an international marketing company and a joint venture with Marubeni Corporation of Japan. After selling Maridyne, Mr. Shenoy owned and operated Northeast Investment Castings in

Medford, Massachusetts, a manufacturer of precision castings for the defense and high technology industries.

He was an adjunct professor of Entrepreneurship, International Marketing and Business Administration at the Graduate School of Management, Clarke University, Worcester, Massachusetts. Currently, he is on the adjunct faculty of the School of Information Technology & Engineering at George Mason University. Mr. Shenoy has traveled widely throughout Europe, Asia and the Middle East, has a Bachelor's degree in Engineering from the Indian Institute of Technology, Bombay (1972), and a MBA from the University of Connecticut (1975).

Mr. Shenoy served as co-President of the PanIIT Alumni Association in North America for the 2006-2008 Term. With a membership of over 50,000 alumni in the USA – PanIIT is the umbrella alumni organization for the seven Indian Institutes of Technology with over 150,000 graduates to date from this highly selective university. He was a founding member of the Thomas Jefferson Partnership Fund and served on its board until 2002. He also served on the Board of the Fairfax County Library Foundation. He has served as chairman of the Emerging Technologies Advisory Group (EMTAG) at the Association of Information and Image Management (AIIM) for 1996-1997. He was chairman of the International Society of Enterprise Engineers (ISEE), DC Chapter, and served as co-chair of the BPR-SIG for the Industry Advisory Council to US Govt. CIO's and on the AIIM International Board of Directors. Mr. Shenoy has spoken at numerous industry events, including the annual AIIM International shows, Imaging Expo in New York, COMDEX, the Information Management Congress in Europe and CENADEM in Brazil and his articles have been published in various industry publications. Mr. Shenoy was inducted as a Fellow of the Information Management Congress (Europe) and AIIM International (USA) in 2000.
